

Summer Internship Programme

– Risk Team

Job title	Risk Summer Associate / Intern
Location	6 Bevis Marks, London EC3A 7BA
Travel required	No
Reporting to	Head of Development Impact
Position type	Internship – 10 week placement

About the role

PIDG's purpose is to combat poverty in the poorest and most fragile countries through pioneering infrastructure – helping economies grow and changing people's lives. PIDG's risk team is committed to raising the governance and risk management standards of all investments within the PIDG group. We have active investments across Africa, Asia and South East Asia. We at PIDG recognise that to meet our values and be able to deliver the responsible investment that we believe in, we must ensure that strong Risk and HSES governance runs across all our companies within the group, while being at the heart of all our operations.

Job Description

What you'll be doing

We are looking for an intern who is interested in gaining experience in the field of Responsible Investment and driving the move to embed risk and ESG considerations in the investment management and decision process.

Principally the role entails

Assisting with day-to-day HSES engagement activities on new deals and existing projects.

- Assisting in the further development of sustainability and risk governance frameworks and systems.
- Working with the teams to integrate risk assessments and analysis.
- Carrying out ad-hoc stock-specific research in preparation for meetings with executives and committees.

This is an excellent opportunity to learn not only about sustainability issues, but also about general portfolio risk management.

We don't expect you to come straight in and know everything about what we do.

As an intern, whatever you're studying, we will help make sure you get the most out of your time with us.

You will get hands on experience of the key parts of due diligence, from early stage through to the investment/credit committee stage. You will gain exposure to related parts of the business, such as Development Impact, and contribute to us meeting our risk and HSES responsibilities.

What we're looking for:

We are looking for someone who enjoys and excels in research with excellent presentation skills both written and face to face. He/she should also be highly organised, motivated and strive to contribute new ideas to the team. It is a demanding role that would stretch knowledge and capability but will bring rewards including gaining valuable experience that will prepare the candidate for their next career step.

Please apply only if you are interested in sustainability, HSES and financial risk topics. Demonstrable background and interest in the subject is crucial.

What we can offer you

- Paid placement – 7 hours per day 5 days a week @ £140 per day
- Great offices in the City – or tested solutions for remote working
- Friendly team
- 3 days paid holiday in the 10-week placement
- A wonderful opportunity to work for an organisation that truly makes a difference

How to Apply:

Please send a copy of your CV and a covering letter telling us what you think you can bring to the organisation to interns@pidg.org Please quote Ref: RI21 on your application

Timetable:

Closing date for applications:	29th February 2021
Interview and selection process:	6th or 7th April 2021
Internship Start date:	28th June 2021
Internship End date:	3rd September 2021
