

## Analyst, Finance

---

To support its continued growth, InfraCo Asia is actively seeking applicants for an **Analyst, Finance** role, based in Singapore. As part of the Executive Management Team, the Analyst will be instrumental to InfraCo Asia's mission, which is to catalyse the private sector investments needed to bridge the infrastructure gap in Asia's emerging and frontier markets.

This is a unique opportunity to join a dynamic infrastructure investment and development organisation, with a solid track record of creating bankable and sustainable infrastructure projects that have a high development impact on people, planet and regional economies. The role offers international exposure and excellent development opportunities and is ideal for a highly-driven individual who is comfortable in a fast-paced environment.

---

## About InfraCo Asia

InfraCo Asia Development Pte. Ltd. (InfraCo Asia) is a commercially managed infrastructure development and investment company of the Private Infrastructure Development Group (PIDG). Headquartered in Singapore, InfraCo Asia catalyses greater private sector investment in infrastructure across South and Southeast Asia by providing funding and development expertise.

InfraCo Asia funds early-stage development activities to realise socially responsible and commercially viable infrastructure that contributes to sustainable and inclusive economic growth. InfraCo Asia is currently funded by four members of PIDG – the governments of the United Kingdom, the Netherlands, Switzerland and Australia.

More information about InfraCo Asia's model and approach can be found at [www.infracoasia.com](http://www.infracoasia.com) and [www.pidg.org](http://www.pidg.org). View InfraCo Asia's brand video here: [bit.ly/IAD10](https://bit.ly/IAD10).

## Position Summary

Reporting to the Finance Director, the **Analyst, Finance** is a key member of the InfraCo Asia finance team supporting InfraCo Asia and its project portfolio in Asia by providing operational support and monitoring of project performance. The particular focus of this role will be on project budgets monitoring and expenditure analysis, as well as the collation of financial information for project reporting.

## Requirements and Attributes

- Bachelor's degree in Finance, Accounting, Business or equivalent from a reputable university; with Chartered Accountant (CA), Certified Public Accountant (CPA) qualifications strongly preferred;
- 3 to 5 years of hands-on experience in accounting (preferably with minimum of 2 years in a Big Four accounting firm or project accounting role in infrastructure/private equity/venture capital firms) in a dynamic and fast paced multinational environment;
- Good knowledge of IFRS with hands on experience dealing with overseas entities;
- Experience in infrastructure sector, working with international development institutions and/or

regional experience in Asia would be advantageous;

- Highly detailed and analytical with excellent financial modelling skills;
- Thorough knowledge of Microsoft Office, with advanced Excel capabilities preferred;
- Highly proficient in both oral and written English. Proficiency in one or more of the regional languages in one of the countries where InfraCo Asia is mandated to work is a plus;
- Strong appreciation and passion for PIDG and InfraCo Asia's mandate with a strong work ethic and desire to work in a fast-paced and demanding environment essential.

Interested applicants, please send your detailed, updated resume to [careers@infracoasia.com](mailto:careers@infracoasia.com) by **10 September 2021**. All applications will be treated with strictest confidence. We regret that only shortlisted applicants will be contacted.

Thank you for your interest in InfraCo Asia.
