

## Senior Analyst, Program Management

---

To support its continued growth, InfraCo Asia is actively seeking applicants for a **Senior Analyst, Program Management** role, based in Singapore. As part of the Executive Management Team, the Analyst will be instrumental to InfraCo Asia's mission, which is to catalyse the private sector investments needed to bridge the infrastructure gap in Asia's emerging and frontier markets.

This is a unique opportunity to join a dynamic infrastructure investment and development organisation, with a solid track record of creating bankable and sustainable infrastructure projects that have a high development impact on people, planet and regional economies. The role offers international exposure and excellent development opportunities and is ideal for a highly-driven individual who is comfortable in a fast-paced environment.

---

### About InfraCo Asia

InfraCo Asia Development Pte. Ltd. (InfraCo Asia) is a commercially managed infrastructure development and investment company of the Private Infrastructure Development Group (PIDG). Headquartered in Singapore, InfraCo Asia catalyses greater private sector investment in infrastructure across South and Southeast Asia by providing funding and development expertise.

InfraCo Asia funds early-stage development activities to realise socially responsible and commercially viable infrastructure that contributes to sustainable and inclusive economic growth. InfraCo Asia is currently funded by four members of PIDG – the governments of the United Kingdom, the Netherlands, Switzerland and Australia.

More information about InfraCo Asia's model and approach can be found at [www.infracoasia.com](http://www.infracoasia.com) and [www.pidg.org](http://www.pidg.org). View InfraCo Asia's brand video here: [bit.ly/IAD10](https://bit.ly/IAD10).

### Position Summary

The **Senior Analyst, Program Management** will play a key role in supporting the Program Manager with managing InfraCo Asia's contractual relationship with developer teams under its Developer Services Program. This includes partnering with the Program Manager to monitor the performance of developer teams in undertaking project development on behalf of InfraCo Asia, and achieving results in accordance with their respective approved business plan and Developer Services Agreement ("DSA").

### Requirements and Attributes

- Bachelor's degree in Finance, Engineering, Economics, Accounting, Business or equivalent from a reputable university;
- At least 6 years of hands-on work experience in infrastructure project development, project finance and/or investment management/advisory in Asia; candidates with more experience may be considered for a senior position;

- Experience in project finance documentation, equity agreements, refinancing, exit agreements, contract management and comfort dealing with legal documents is strongly preferred;
- Good understanding of both debt and equity structures, market risk analysis and management relevant to financial transactions;
- Highly analytical with excellent financial modelling skills;
- Thorough knowledge of Microsoft Word, Excel, PowerPoint and Project;
- Highly proficient in both oral and written English. Proficiency in one or more of the regional languages in one of the countries where InfraCo Asia is mandated to work is a plus;
- Strong appreciation and passion for PIDG and InfraCo Asia's mandate with a strong work ethic and desire to work in a fast-paced and demanding environment essential.

Interested applicants, please send your detailed, updated resume to [careers@infracoasia.com](mailto:careers@infracoasia.com) by **10 September 2021**. All applications will be treated with strictest confidence. We regret that only shortlisted applicants will be contacted.

Thank you for your interest in InfraCo Asia.
