

Senior Manager, Portfolio Management

To support its continued growth, InfraCo Asia is actively seeking applicants for **Senior Manager, Portfolio Management** role, based in Singapore. As part of the Executive Management Team, the Senior Manager, Portfolio Management will be instrumental to InfraCo Asia's mission, which is to catalyse the private sector investments needed to bridge the infrastructure gap in Asia's emerging and frontier markets.

This is a unique opportunity to join a dynamic infrastructure investment and development organisation, with a solid track record of creating bankable and sustainable infrastructure projects that have a high development impact on people, planet and regional economies. The role offers international exposure and excellent development opportunities and is ideal for a highly-driven individual who is comfortable in a fast-paced environment.

About InfraCo Asia

InfraCo Asia Development Pte. Ltd. (InfraCo Asia) is a commercially managed infrastructure development and investment company of the Private Infrastructure Development Group (PIDG). Headquartered in Singapore, InfraCo Asia catalyses greater private sector investment in infrastructure across South and South East Asia by providing funding and development expertise.

InfraCo Asia funds early-stage development activities to realise socially responsible and commercially viable infrastructure that contributes to sustainable and inclusive economic growth. InfraCo Asia is currently funded by four members of PIDG – the governments of the United Kingdom, the Netherlands, Switzerland and Australia.

More information about InfraCo Asia's model and approach can be found at www.infracoasia.com and www.pidg.org. View InfraCo Asia's brand video here: bit.ly/IAD10.

Position Summary

The **Senior Manager, Portfolio Management**, will play a key role in the Portfolio Management team, as a project lead who would drive the management of co-development projects from signing of Joint Investment Development Agreement (JIDA) to Financial Close and/or exit (which may happen prior to Financial Close or during construction and operational stages). This includes close involvement in providing the oversight of project development and investment activities in co-ordination with other team members from InfraCo Asia and leading the engagement with external partners, project company staff, co-developers and other key stakeholders. You will also play a key role in preparing approval memos for the InfraCo Asia's Executive Committee (Exco) and the PIDG Investment Committee (PIDG IC).

Requirements and Attributes

- Bachelor's degree in Finance, Accounting or Business from a reputable university; Master's degree in similar or related disciplines would be advantageous;
- 12 to 15 years of hands-on project finance and/or investment management working experience in Asia (substantial experience in project finance documentation, equity agreements, refinancing and/or exits ideal);
- Experience in infrastructure sector, working with international development institutions and/or regional experience in Asia would be advantageous;
- Understanding of both debt and equity structures, understanding of market risk analysis and management as it relates to financial transactions;
- Highly proficient in both oral and written English. Proficiency in one or more of the regional languages in one of the countries where InfraCo Asia is mandated to work is a plus;
- Highly analytical with excellent financial modelling skills;
- Thorough knowledge of Microsoft Word, Excel, PowerPoint and Project;
- Strong appreciation and passion for PIDG and InfraCo Asia's mandate with a strong work ethic and desire to work in a fast-paced and demanding environment essential.

Interested applicants, please send your detailed, updated resume to careers@infracoasia.com. All applications will be treated with strictest confidence. We regret that only shortlisted applicants will be contacted.

Thank you for your interest in InfraCo Asia.
